

Summary of key results for Emfuleni informal settlements - 20th May, 2021

KEY FINDINGS¹

| Number of settlements in this round | Number of residents in this round |
|--|--|
| 5 | 25 |

Access to water

- 12% of residents said there was not enough water in their settlement
- The main challenge is that there is an inconsistent supply of water brought by water trucks.

Access to sanitation

- 96% of residents said that their toilets were not cleaned over the last 7 days
- The main challenge is that there is not enough water in yards to keep flush toilets running

Waste removal

- 92% of residents said waste was not collected from their settlements
- The main challenge is that the municipality does not provide waste removal services in some settlements

Good news

- At Waterdal (Ward 36) and Ironside (Ward 41) residents said their taps are functioning well again
